

Index Update for *Vatican Notes* № 329-342

COMPILED BY JILL M. PIAZZA—JILLPIAZZA@VERIZON.NET

Editor's note: The last cumulative index to Vatican Notes was published in January 2007. (It can be downloaded from the Internet at http://notes.vaticanphilately.org/cumulative_index.htm.) A new edition is in preparation; in the meantime, these update pages are unnumbered so you can remove them from this issue if you wish and store them with the old index. References are given in this fashion:
